## Day 2

**in-adhesives**

Symposium on Innovations in  
Adhesives and their Applications

December 10, 2025

**WELCOME BY CHAIR:** Univ.-Prof. Dr.-Ing. Paul Ludwig Geiß; RPTU University of Kaiserslautern-Landau

09:00

Dr. Volker Erb und Dr. Moritz Haus, Albert Invent; US-Oakland  
**Transforming Adhesive R&D with Data Management and Artificial Intelligence**

09:30

Dr. Christiane Kothe; Dresden University of Technology / Institute of Building Construction; DE-Dresden  
**Development of an Extrusion-Lamination Bonding Technology Using Crosslinkable EVA for High-Performance Adhesive Joints**

10:00

Tom Leemans; Kaneka Belgium; BE-Westerlo-Oevel  
**Next Generation 2-in-1 Coating: MS Polymer Based Waterproofing and Tile Adhesive System**

10:30 - 11:00

**REFRESHMENT BREAK**

11:00

Dr. Florian Menk; Drei Bond; DE-Ismaning  
**Permanently Plastic Sealants for Easy to Repair Electric Vehicle Batteries**

11:30

Holger Schuh; Henkel Adhesive Technologies; DE-Düsseldorf  
**Selecting Efficient and Reliable Thermally Conductive Adhesives for Next Gen Battery Pack Design in e-cars**

12:00

Michael Griesse; University of Braunschweig / IFS; DE-Braunschweig  
**Influence of Battery Breathing on the Fatigue Life of Adhesive Bonds in Structural Batteries**

12:00 - 13:30

**LUNCH**

**WELCOME BY CHAIR:** N/A

13:30

Dr. Felix Koch; DuPont; CH-Freienbach  
**Advanced Cold Curing Bonding Solutions Enabling Modular Vehicle Assembly**

14:00

Dr. Matthias Koebel; Siloxene; CH-Brüttisellen  
**Lighter & Stronger – Next Generation High Performance Eco-friendly STP Adhesives**

14:30

Dr. Michel Awkal; L&L Products; FR-Altorf  
**Fatigue and Impact Resistant Structural Adhesive for Lightweight Light Motor Vehicles**

15:00

Joshua Avossa; Collano; CH-Sempach Station  
**Silane-Epoxy Adhesives: Bridging Challenges, Bonding Futures**

15:30

**FAREWELL**

**Table Top Exhibition**
